

DISCREET 30 Insect Light Trap

Decorative Sticky Pad Series

Smarter Choice of
Fly Control

Discreet 30 is the most popular insect light trap in Malaysia, mainly designed and used in food and beverage outlets front houses, cafes, restaurants, public areas, etc.. a perfect choice for areas where fly control should be discreet.

With our above 15 years experience since 2004 and being number one in Malaysia, it's high-quality products to ensure you'll get less maintenance backed by our three (3) year warranty.

To complement the Pestline range of professional flying insect management, these systems have been designed specifically for areas where fly control should be hidden from view.

Their unique and decorative front covers hide the glue board and insect catch, providing discreet and environmentally friendly fly control, ideal for domestic and front-of-house applications.

Disguised as a wall sconce with a full-size glue board, and two powerful 15 watts UV tubes UV light bulb that is hidden from view.

Front cover can be painted, wall papered, or decorated to match existing decor.
