

# Wall Light 30 Insect Light Trap

Decorative Sticky Pad Series

Smarter Choice of  
Fly Control

This Up-Lighter insect light trap is well-designed with high specifications, durable products always save your time and money.

The unique overhead designs fit discreetly and easily into wall mounted. Ideal for areas where space limitations may have previously made situating a standard system difficult.

Pestline uplighter systems have been designed specifically for areas where fly control should be hidden from view.

Best for catching annoying flies in restaurants, hotels, restaurants, disguised as a wall sconce with a full-size glue board, and two powerful 15 watts UV tubes UV light bulb that is hidden from view.

Front cover can be painted, wall papered, or decorated to match existing decor.

With our above 15 years experience and being number one in Malaysia, it's high-quality products to ensure you'll get less maintenance backed by our three (3) year warranty. Shatterproof UV lamps available upon request.
